

Minutes for the May 20, 2013 Shore Drive Community Coalition General Meeting
submitted by Todd Solomon

Meeting Location: Ocean Park Volunteer Rescue Squad Meeting Hall

Meeting Start: Called to order at 7:32pm by David Williams. 8 attendees.

Special Presentation – David Williams gave a very detailed Hurricane Preparedness Presentation. David focused on basics as well as details for our specific area. He told us that the City only has enough shelters to support a Cat 1 evacuation (15,000). For most of us, the suggestion for a Cat 2 would be to get out of town or shelter in place. Cat 3 or greater the suggestion is to get out as soon as possible, at least 48 hours in advance due to traffic problems. Document important items with photos. Be prepared for fix up after the storm as well as getting through it. Construction tools, tarps, hip waders, soap, etc.
