His number is 385-1189. They will install and supply bags for no cost to dispensers at beach accesses. If you see unleashed dogs, you need to call the non-emergency police number 385-5000.

New Business:

**New Shore Drive Developments** – Two proposed developments along Shore Drive were discussed. One at the corner of Page and Shore Drive adjacent to the old Duck-In property. Residents had heard that a variance to increase the density for the site was going to be requested. The 2<sup>nd</sup> project discussed was a possible development on the soccer field next to the Baylake Pines School. This site was also identified as a possible variance to increase the allowed density. This site is zoned as residential. More research will be required for both projects.
