Bayfront Advisory Committee to Meet September 20

The Bayfront Advisory Committee will meet Thursday, September 20, at the VIRGINIA BEACH RESORT AND CONFERENCE CENTER, Lynnhaven Room, 2800 Shore Drive, from 3:30pm-5:30pm.

The agenda for the meeting will include the following:

Update on public and private projects in the Bayfront area.

Update on committee activities in the Bayfront area.

Kroeger

Mr. Neil Turner will present information on improvements to the Kroger Grocery Store on Shore Drive.

Chick's Oyster Bar

Chick's Oyster Bar, located at 2143 Vista Circle, has requested a variance for an off-site parking lot. Mr. Billy Garrington will address the Committee.

Pleasure House Point

A Pleasure House Point Update will be presented by Brian Solis, Carolyn Smith and Christy Everett of CBF.

There will be an opportunity for presentations from the public on projects in the Bayfront area. The committee generally concludes its deliberations around 4:30pm. The meeting is then opened to the public for comments.

Name Change

Pursuant to the directive from the Committee at last month's meeting, an ad hoc committee discussed the changing of the Committee's name from the Bayfront Advisory Committee to its original name: the Shore Drive Advisory Committee. This ad hoc committee decided by acclamation that a name change was not in the best interests of the Committee.

Eminent Domain

City Council, by an eleven to zero vote, approved an ordinance to acquire by agreement or condemnation, right-of-way and easements for ten (10) parcels necessary for construction of the new Lesner Bridge. The City received Governor's Transportation Plan funding for the project in July 2011, and was given approval to begin the right-of-way phase on February 1, 2012.

Those Who Make a Difference

"Those Who Make a Difference" is a monthly feature of the Bayfront Vision Newsletter to recognize the efforts of those in the Shore Drive Community whose efforts assist in disseminating information about the Bayfront Advisory committee. It will return in the near future.
