Bayfront Advisory Committee to Meet April 18

The Bayfront Advisory Committee will meet Thursday, April 18 at the VIRGINIA BEACH RESORT AND CONFERENCE CENTER, Lynnhaven Room, 2800 Shore Drive, from 3:30pm-5:30pm. Please check the lobby notice board in case of room change.

The meeting agenda will also include the following:

- Update on public and private projects in the Bayfront area.
- Updates on committee activities in the Bayfront area will also be provided.

Special!

The Corps of Engineers Norfolk District, NAO, has been successful on behalf of VB in acquiring funds to perform a Lynnhaven inlet dredging this summer. This work is expected to occur in July.

In the interim, the sand at the Crab Creek dredged material holding area is available for emergency replenishment should projected threats to life and properties develop.

Mr. Dave Hansen, Deputy City Manager, and Mr. Phill Roehrs, P.E., Water Resources Engineer will be briefing the Committee on the emerging project timeline.

For additional information or to obtain a copy of the draft agenda, contact Faith Christie in the Planning Department at (757) 385-4621 or fchristi@vb.gov. For more information regarding the Bayfront Advisory Committee, visit www.VBgov.com/Bayfront.

So you think you know Shore Drive?

We've been asking what you know about Shore Drive and would like to thank you for the many responses we received about these pictures. This handsome building is the latest. If you know, you know the drill. Send me an email. ID next month.

Speakers

Members of the Committee are available to speak at any meetings in the community. Contact any member to make arrangements.

The Bayfront Vision Newsletter is now linked to "It's a Shore Thing." Reach "It's a Shore Thing" at <http://itsashorethingvb.com/>.

Volunteers and Sponsors needed at First Landing State Park for tree planting April 27

Volunteers and sponsors are needed at First Landing State park to help plant trees on Saturday, April 27. From 9 a.m. to 1 p.m., volunteers will work with park staff to plant trees in sensitive habitats that have been impacted by unauthorized trails.

To volunteer or for more information contact Jennifer Huggins at [757-412-2306](tel:757-412-2306) or Jennifer.huggins@dcr.virginia.gov.

“It is a great way to remind people that staying on designated trails is important. Trail routes are chosen based on criteria that will reduce environmental impacts and reduce erosion. When people blaze their own unauthorized trails through the park, it has severe effects on the wetlands and maritime forest,” said Staci Martin, Visitor Service Specialist.

Group and individual sponsors are needed to underwrite the cost of the tree planting. Three dollars will sponsor one tree; \$5 will sponsor two trees; and \$10 will sponsor five trees.

Tax deductible donations can be mailed to the Friends of First Landing State Park, 2500 Shore Drive, Virginia Beach, VA 23451. The Friends of First Landing State Park is a 510c3 non-profit that supports the park.

First Landing State Park is a 2,888 acre natural area featuring nearly twenty miles of trails, campsites, cabins, two visitor center museums, and half a mile of Chesapeake Bay beach frontage. The park’s maritime forest area is an integral part of its certification as a National Natural Landmark.

Virginia State Parks are managed by the Virginia Department of Conservation and Recreation and offer dozens of festivals and concerts and thousands of educational programs across the state.

For more information about state park activities and amenities, or to make reservations in one of the 25 parks with camping facilities or 18 parks with cabins or family lodges, call the Virginia State Parks Reservation Center at 800-933-PARK or visit www.virginiastateparks.gov.
