The January meeting will mark the first presentation of these awards. They are given to recognize individuals and businesses who have made significant contributions to the Bayfront Community. This year's awards will go to Judy Conners for her many years of civic activism, and to Mr. and Mrs. Lance Shores, proprietors of Citrus Restaurant, for their remake of that property. Please join us if you can in honoring them.

# **Ocean Park Drainage Improvements**

**A public information meeting was held on Thursday, February 23, 2012, to review three alternatives for relieving tidal flooding up to elevation 5 in the vicinity of the intersection of Dupont Circle and Dinwiddie Road.**

**Subsequent to that meeting the Ocean Park Civic League endorsed Alternative A. Alternative A proposes a 27-inch storm drain along Dinwiddie Road from East Stratford Road to Lockhaven Crescent (paper street), then westward along Lockhaven Crescent (South edge of Lockhaven Neighborhood Park) to the Ocean Park Stormwater Pump Station on Winston Place in the vicinity of the proposed Brock Environmental Center parking lot.**

**Through coordination with the Chesapeake Bay Foundation, City of Virginia Beach Department of Parks and Recreation, City of Virginia Beach Public Works, and public and private utilities, plans have been developed for the Ocean Park Drainage Improvements. The plans have been given to one of the Department of Public Works annual services contractors and a work order is about to be executed for the work. Construction is scheduled to commence this month and continue until June 2014.**

**A notification letter is being mailed to the residents who live on East Stratford Road, Dinwiddie Road, Rockbridge Road, and Chesterfield Avenue.**

**If you have any comments or questions please do not hesitate to contact Michael Bumbaco or, Mike Mundy at 385-4131.**
