

**SDCC General Meeting Agenda**  
**Monday October 30, 2017 from 7:30 to 9:00pm**

Ocean Park Volunteer Rescue Squad Hall  
(parking in back, on side streets and across Shore Drive)

**Special Presentation – 2040 Vision to Action Community Coalition Commission**, Ms. Cindy Arocho of the Commission will provide background and answer questions. In 2011, the Mayor appointed a 13-member citizen “visioning” group. They studied and analyzed current trends to understand the forces affecting our community. “Where are we now...where will we be... where do we **want** to be?” They answered those questions and crafted *Virginia Beach 2040*. The **2040 Vision to Action Community Coalition** shares the pathway and the vision.

**Officer's Reports**

Secretary – *David Williams*

Treasurer's Report -*Kathy Pawlak*

Vice President – *Wally Damon*

President – *Todd Solomon*

**Old Business-**

**Bayfront Development Projects Update –**

- Marina Shores Marina Apartments – Approved at Oct. 11<sup>th</sup> meeting of the Planning Commission.
- New Millennial Assisted Living Facility Expansion – SDCC letter being sent to City Planning and Traffic Engineers asking for the omission of the two new left turns based on the increase in traffic conflicts, low volume of left turns and access at two additional entrances.

**New Business –**

**Bayfront Advisory Commission (BAC) News** – Mr. Wally Damon will update us on the actions of the Bayfront Advisory Commission.

**Addition of “Your Speed Is” Traffic Signs on Shore Drive** – SDCC would like to make a motion to request the BAC to pursue the purchase and installation of these signs at key sections on Shore Drive. Norfolk has several of these signs operating on Shore Drive in Ocean View already.

**VB proposed changes to Route 35 and other bus services** – City Planning and Traffic Engineering have submitted a request to continue the service next year and to add a 3<sup>rd</sup> bus to allow shorter wait times. The service would also extend to Pleasure House Road. According to a Virginian Pilot article, the City Manager doesn't feel additional funding of any mass transit in the City is worthwhile.

**City Planners Losing Focus on Shore Drive Safety?** – The addition of left turns where they're not justified as part of the New Millennial development and the suggestion to add a crosswalk at North Great Neck Rd. and Lynnhaven Dr. intersection, seem to identify an unsafe trend in City Planning. Your thoughts and suggestions for action are welcomed.

**Community Concerns**– General discussion of neighborhood and community concerns that may need SDCC attention. This is an opportunity for all to share information.

**Next SDCC Meeting - Monday November 27, 2017**

**No Special Presentation Planned**

**SDCC Elections are coming up. Please let an officer know of your interest.**
