Subject: Bayfront Advisory Commission Outreach 2019

Dear Community Representative:

Thank you again for your willingness to participate in the Bayfront Advisory Commission's (BAC) Outreach '19 communications initiative. Please bring your neighborhood's most pressing concerns.

This spring's Outreach meeting will be held on Thursday, June 20, 2019 during the regular BAC meeting. The community input will begin shortly after the 3:30pm meeting start time. The meeting will be held at the Virginia Beach Tennis and Country Club, located at 1950 Thomas Bishop Lane (2nd floor meeting room), Virginia Beach, VA, 23454.

Although you are receiving direct word, this is a public meeting and will be legally advertised as such. If you have colleagues from other neighborhoods who have not signed up in advance, please notify them that they are welcome to.

The purpose of this meeting is for the BAC to receive input from you about your most pressing concerns. The over-arching purpose is to assist the Commission with its priorities for the year ahead. Written comments are greatly appreciated. I have attached the Strategic Plan summary from the past year for your reference.

Commission members do not expect to be prepared to provide status updates other than what has officially come before the body. This is a listening meeting more than a telling meeting. However, efforts will be made to find out answers, schedule future presentations, and to connect you with the proper city entity or whatever else is possible to help you in your community.

Thank you again for your interest.

Sincerely,
