CITY OF VIRGINIA BEACH

**Public  
Works**

# LOCATION MAP

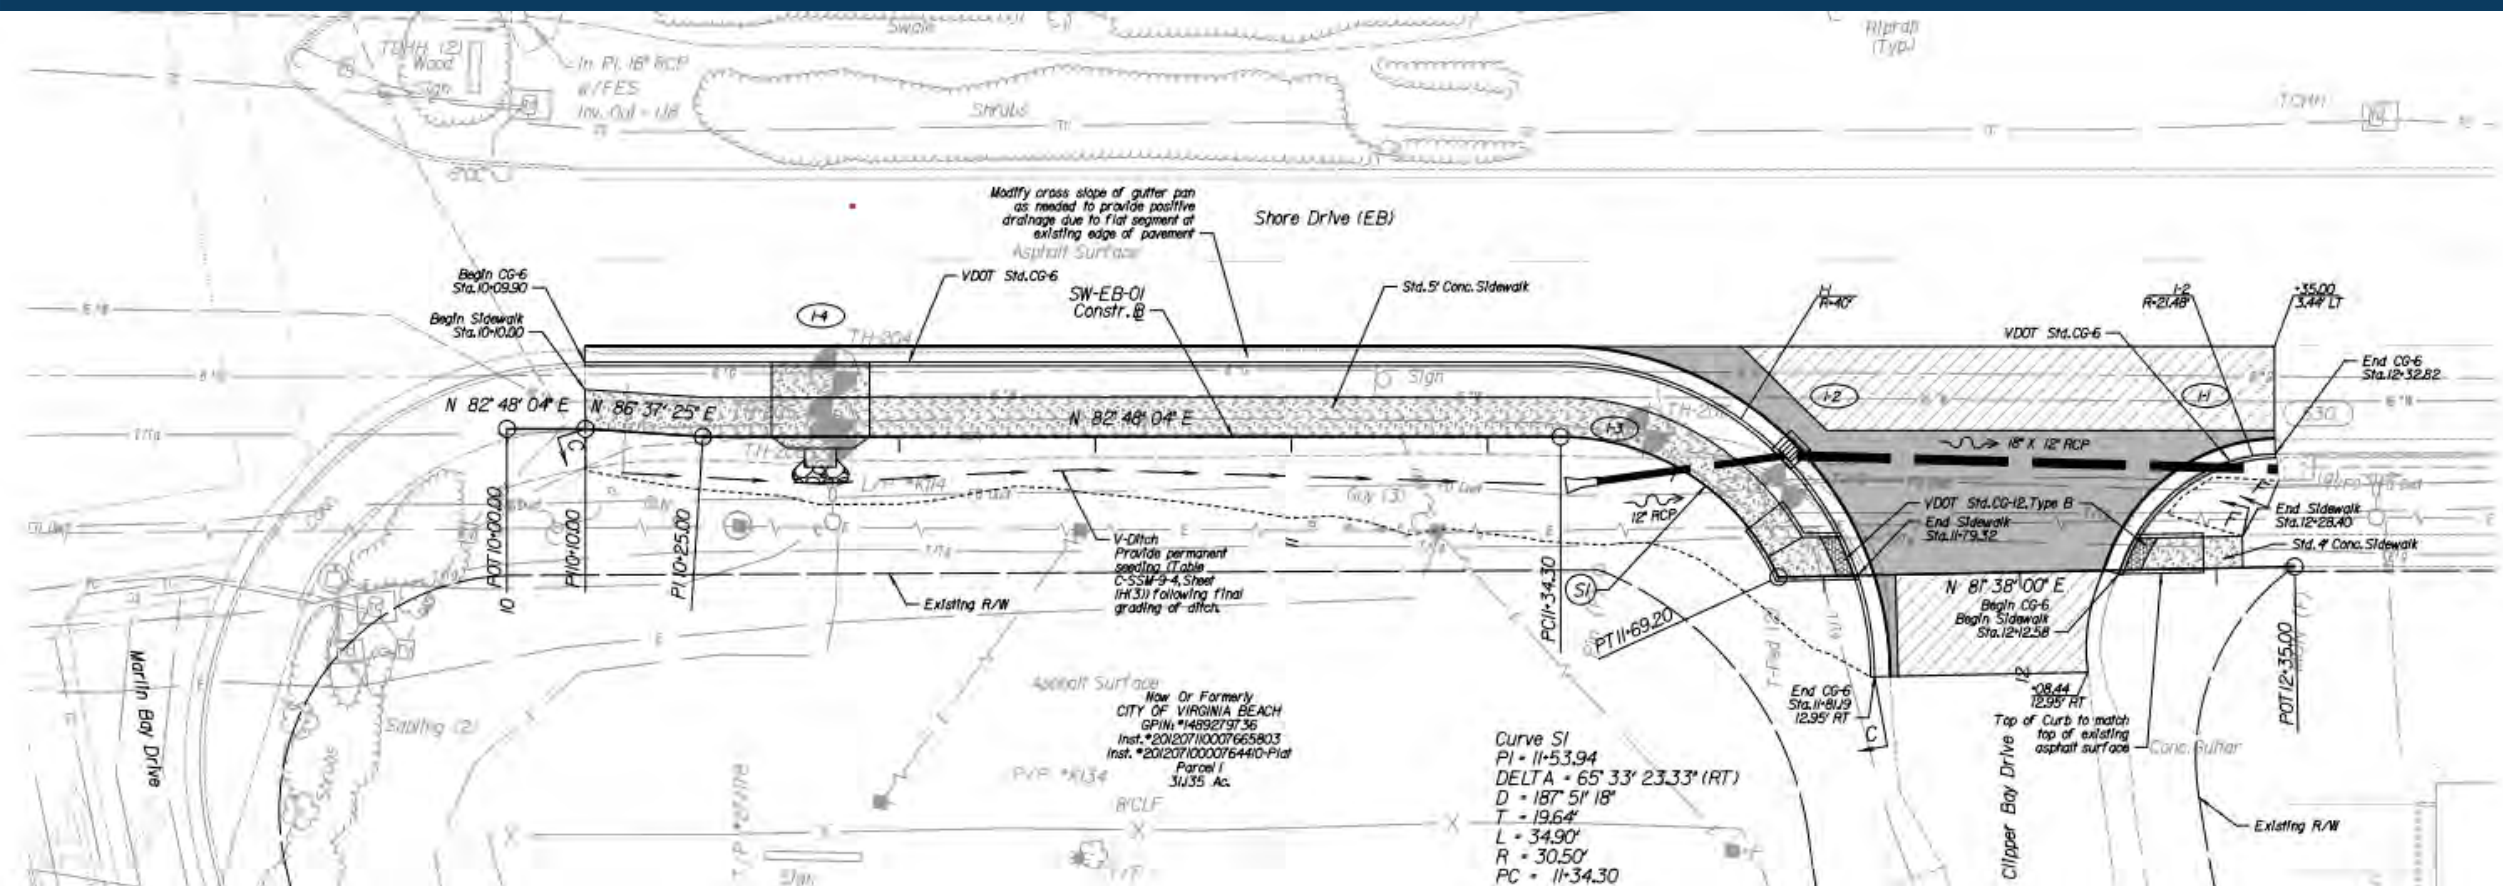

# SHORE DRIVE PEDESTRIAN IMPROVEMENTS SIDEWALKS

- Project will connect sidewalk gaps and provide connectivity from Marlin Bay Drive to Depont Circle.
- Sidewalks and ramps were designed to meet ADA standards.
- Constructed in Phased with Lane Closure
- Property Acquisition needed from 9 parcels. ★

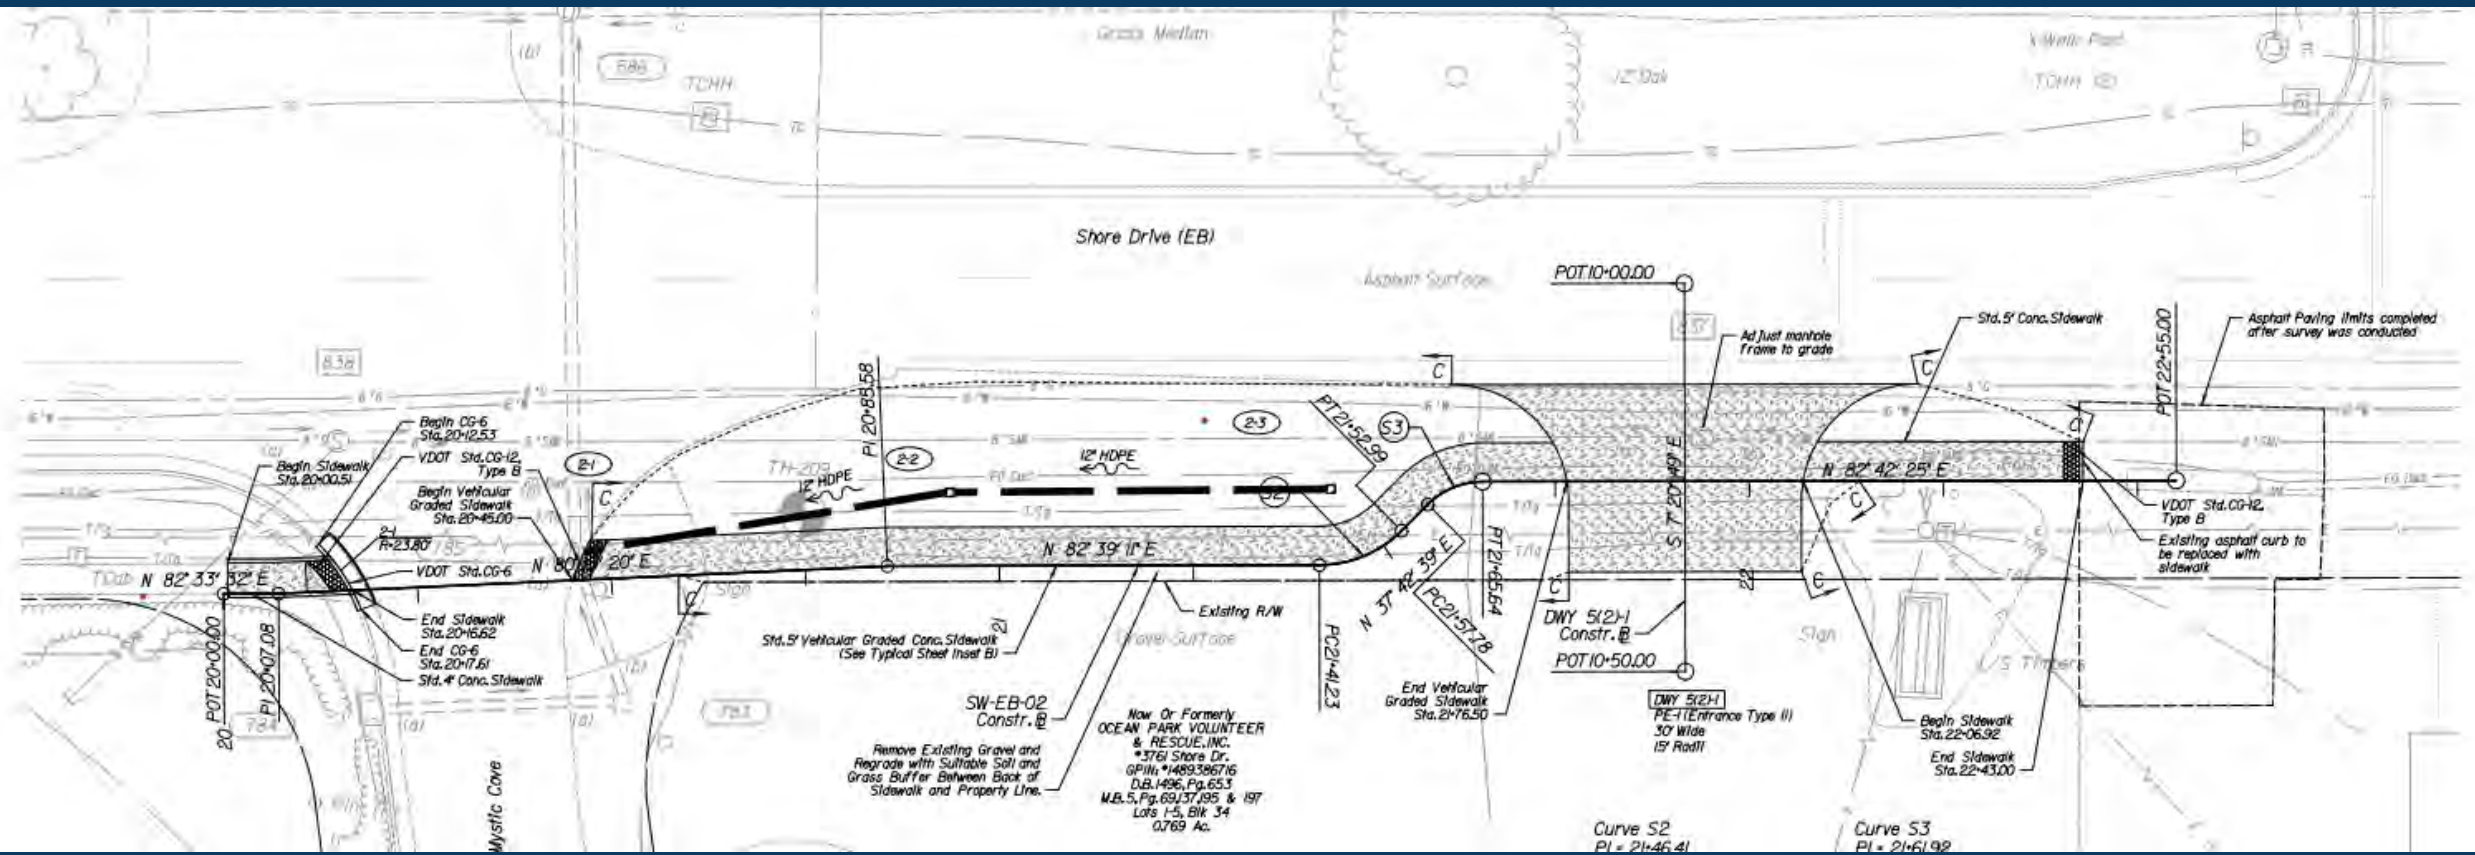

- Improvements includes the following:
- Replacing existing sidewalks that are less than 4-feet in width.
- Installing new sidewalks in locations where sidewalks do not exist.
- Striping will be utilized to demarcate pred. paths across existing parking lots. Parking bars will be utilized to deter vehicles from encroaching onto the pedestrian paths.
